

CMA MEMBERS INSURANCE

Product Manufacturer (Contract or Manufacturing Your Own products)

Question: What insurances do I need?

Answer: As a Product Manufacturer (whether you are manufacturing products for a third party or your own products).

- Public & Products Liability Insurance specifically noting you are a Product/Contract Manufacturer.

This needs to be noted under the Business Details section on your Public/Products Liability Insurance schedule. Public and Product Liability insurance protects businesses from paying compensation to a third party in the event of personal accidents, injury or property damage resulting from any business activity and Products manufactured or imported by you.

Other Insurances for Consideration

- Property Covers: Stock, Machinery, General Contents (fire and perils etc), Theft, Glass.
- Business Interruption (Loss of Income following a defined peril event).
- Marine transit local, import/export if required (Raw materials in transit).
- Machinery/Electronic Equipment Breakdown.
- Professional Indemnity (Errors & Omissions).
- Cyber.
- Management Liability.
- Product Recall.

- Trade Credit.
- Corporate Travel.
- Portable electronic items such as Laptops, Mobile Phones and Tablets.
- Other insurances tailored for your individual needs.

Insurance Product Outlines

- Stock, Machinery, General Contents/Stock (fire, water damage, and other perils). Business Interruption, Glass, Machinery Breakdown, Theft.
- Marine Transit to cover loss or damage to your products/raw materials etc. when in transit within Australia and/or if being imported from overseas and/or exported to overseas countries.
- Machinery/Electronic Equipment Breakdown provides cover for the repair or replacement of all fixed mechanical, pressure, electrical, and electronic equipment that breaks down, including computers, lifts, air conditioning equipment, telephone systems and electrical panels.
- Professional Indemnity which is a form of liability insurance that helps protect professionals when providing advice and service from the cost of defending against a negligence claim made by a client and if damages are awarded in such a civil lawsuit. Cover is provided for alleged failure to provide services either by error or omission resulting in a client suffering a financial loss.
- Cyber (covering Computer System Security Failure, Business Interruption, Costs associated with a Cyber Claim, Defence Costs, 24/7 Cyber Emergency Services, Extortion Event, Data Breach, Media Claim Defence Costs & Regulatory Investigation, Financial loss, Social Engineering & Phishing).
- Management Liability (protects individuals and the company in relation to the various exposures associated with managing a company. Covers include Employment Practice Liability, Statutory Liability, Crime, Cyber, Taxation Audit, Crisis Loss).
- Product Recall (covering a recall required by you and/or Government and/or Industry, and covering recall expenses, stock replacement, media costs, etc).
- Trade Credit or Debtors insurance (Trade Credit insurance protects your business from bad debts. It insures your accounts receivable and protects your business from unpaid invoices caused by customer bankruptcy, default, political risks, or other reasons agreed with your insurer).
- Corporate Travel Insurance. An annual Travel insurance policy for your Business (covering Medical, Evacuation and Additional Expenses, Cancellation and Disruption, Baggage and Travel Documents, Political and Natural Disaster Evacuation, Accidental Death and Disability, Rental and Personal Vehicle excess. Alternative employee/Resumption of assignment, Kidnap and Ransom/Extortion, Hijack and Detention, Personal Liability, Extra Territorial Workers Compensation and Search and Rescue expenses). Includes 24/7 access to a team of medical, travel and crisis management specialists who will be ready to assist you.
- Electronic Items, mobile contents outside your premises such as laptops, phones, tablets, etc. for theft, loss, and damage.
